

Ohio Election Integrity Network, Working to Ensure Free, Fair, Transparent and Honest Elections in Ohio.

June 30, 2023 by Sandie Zimmerman

Ohio Election Integrity Network "OEIN" is a collaborative team of Election Integrity "EI" groups and volunteers throughout the State of Ohio. The mission of "OEIN" is to establish a trusted statewide infrastructure, comprising of a network of Ohio "EI" groups and County "EI" task forces, to ensure secure and legitimate election processes.

"OEIN" is currently working with over 49 Ohio counties, while constantly establishing new "EI" groups in counties throughout the state. In building statewide working groups and task forces, their goal is to improve the election process in the following areas.

- * Legislation - Working closely with Ohio Legislators on Election Bills such as, HB458 passed in December 2022, plus current proposed legislation SB51 and SB71.
- * Data Team - Providing detailed analysis of voter database from the Secretary of State website.
- * Voter Roll Maintenance and Voter Registrations - Cleaning up voter rolls and insuring compliance.
- * Vulnerable Voters - Protecting the votes of residents of nursing homes, group homes and disabled voters.
- * Vote by Mail and United States Postal Service "USPS" - Working with Ohio Post Offices concerning election issues.
- * County Board of Elections "BOE" - Building working relationships with Ohio county elections officials to help them with voter roll and election issues.
- * Poll Workers and Poll Watchers - Recruiting throughout Ohio for poll workers and poll watchers to work in upcoming elections.
- * Citizens Research Project - Nationwide group, researching new election issues, affecting every state.
- * Rank Choice Voting - Educating Ohio citizens and legislators on this unorthodox method of voting, that has been sweeping across the nation, creating chaos and confusion among voters.
- * Media "The Ohio Roundtable" - RoundtableOhio.com is a "Citizen Journalist" powered online Ohio news outlet. Where you can find Ohio specific news encompassing local and statewide reporting. Including up to date election integrity news.

"OEIN" is affiliated with the national Election Integrity Network "EIN" which includes a 20 state coalition. Partnering with "Virginia Institute" (virginiainstitute.org), "The Heritage Foundation" (heritage.org), "America First Legal" (aflegal.org), "Whos Counting" (whoscounting.us), "EIN" has built an effective network covering all aspects of election matters.

"OEIN" works closely with Ohio Freedom Action Network "OhioFAN" (ohiofan.com), which has been instrumental in promoting "OEIN"
